HOMEMAKER-HOME HEALTH AIDE	:	
IN THE STATE OF NEW JERSEY	:	

This matter was opened to the New Jersey State Board of Nursing (the "Board") upon receipt of information that Respondent falsified documentation for services she did not provide. The Board sent Respondent a Demand for Statement Under Oath regarding the billings, and in her response, Respondent admitted that the patient was in the hospital and not at home on the dates for which she submitted time sheets. She claimed that she went to the patient's home on those dates and cleaned, did laundry and took care of the cat. Respondent stated that she

would not be renewing her certification when it expired in November 2015.

The Board finds that Respondent's conduct provides grounds to take disciplinary action against Respondent's certificate to practice as a homemaker-home health aide in New Jersey pursuant to N.J.S.A. 45:1-21 (b) in that Respondent's submission of false time sheets demonstrates that Respondent has engaged in the use of dishonesty, deception and misrepresentation.

It appearing that Respondent desires to resolve this matter without recourse to formal proceedings and, the Board finding that the public health, safety, and welfare will be adequately protected:

THEREFORE, IT IS ON THIS 8th DAY OF January 2016,

ORDERED AND AGREED:

1. Respondent is hereby granted leave and shall immediately surrender her certification to practice as a homemaker-home health aide, with prejudice, to be deemed a permanent revocation of Respondent's certification to practice as a homemaker-home health aide in New Jersey. Respondent shall never hereafter apply for reinstatement of her certification in New Jersey.

2. Respondent shall immediately cease and desist from holding herself out as a certified homemaker-home health aide and/or practicing as a certified homemaker-home health aide,

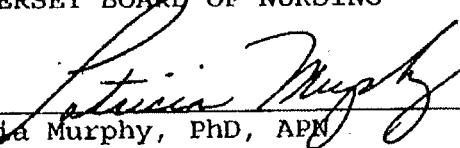

which includes, but is not limited to, performing nursing regimens or nursing tasks delegated through the authority of a duly licensed professional nurse. Any practice in this State shall constitute grounds for a charge of unlicensed practice.

3. Within five days following the entry of this Order, Respondent shall surrender her original wall certificate, her wallet certificate, and the most recent renewal card to an authorized representative of the Board or mail these items to: Twalema Khonje, State Board of Nursing, P.O. Box 45010, Newark, New Jersey 07101.

4. Nothing contained herein shall be deemed an admission by Respondent.
